**TLC Premieres HOLMES ON HOMES
Hit Series Joins All-New Episodes of DATE MY HOUSE Beginning June 28**

Los Angeles, CA – June 24, 2008 – The hit series HOLMES ON HOMES has found a new home on TLC beginning Saturday, June 28, it was announced today by the network.

HOLMES ON HOLMES, which most recently aired on sister network Discovery Home, follows construction and renovation expert Mike Holmes as he visits unlucky families who have been swindled or abandoned during their home improvement projects. Mike uncovers shoddy construction methods, improper techniques, and down right rip-offs, working to uncover and fix the problems, while explaining how homeowners can safeguard themselves from these unscrupulous builders and dishonest contractors. Viewers can learn valuable lessons for their own home renovation projects, such as the importance of a good contract, proper payment terms and what good craftsmanship should really look like.

“As more people focus on renovating the homes they have, instead of moving to new ones, it’s important to be informed and aware of the ‘right’ way to tackle any construction project,” explain Holmes. “Through the experiences and stories of the homeowners on the show, viewers can avoid unexpected disasters and big headaches. It’s great that HOLMES ON HOMES will find a new audience on TLC.”

HOLMES ON HOMES will join TLC’s Saturday night lineup of programs devoted to home design, decorating, repair, and renovation. DATE MY HOUSE, which gives viewers creative ideas to help sell their homes in today’s tough housing market, also returns with all new episodes on June 28, with even more design tips to make your home’s first impression an unforgettable one.

Beginning July 12, TLC will also begin airing classic episodes of the iconic series TRADING SPACES. Host Paige Davis will discuss her favorite moments from the show’s archives and give viewers insight into the behind-the-scenes action.
